

Classic Collection has every length, width and height imaginable in every color.

CHOICES

- a) Colors – We'll build in any manufacturer's laminate, any color, any style.
- b) Customization – We create one-of-a-kind items to make your installation complete.
- c) Single Source – Get all your furniture through one source. We have desk, workstations, lecterns, study carrels, & conference tables. You name it, we build it.

FLEXIBILITY

- a) Modularity – Worksurfaces up to 120" long. Pedestals for all types of storage
- b) Custom Fit – For smaller personal spaces to the wide open range. Surfaces can be cut to length to efficiently fit the space.
- c) Growth – The smart way to grow business. Start out with a few pieces. Then add a few more.

FUNCTIONALITY

- a) Adaptable Edges – Straight edges abut easily for smooth continuous worksurfaces.
- b) Wire Management – Lots of grommets to route cords. For helpful alternative, order without back panel for complete wire access.
- c) Shapes – Lots of shapes to choose from. Shapes for interaction. Shapes for private meetings. Shapes to support technology.

DURABILITY

- a) Durable Edges – Won't scratch, nick or ding. Withstands even the toughest days on the job.
- b) HPL Vertical Surfaces – Surface resist nicks and scratches to battle wayward mobile pedestals.
- c) Easy to Clean – Just wipe with a damp cloth or mild household cleaner.
